

"We are big enough to offer many different learning activities and small enough to give every child personal attention"

Family and Friends of LJ Hutto,

The 1st half of Aug was filled with new activities that covered a lot of learning material. Please continue to talk with your children about these topics along with our wonderful teachers:

- Color: blue
- Letter: A & B
- Number: 1
- Patterns: Charlotte the Circle
- Learned about airplanes
- Made Grandparent Day crafts
- We shared at Show and Tell

We have a full plate of learning and fun ahead in the 2nd half of September. Follow us on [Facebook](#) to see our terrific kids in action:

Number: 2 & 3
First Day of Fall
Letters: C

I can wash my hands
Johnny Appleseed
Opposites: In/Out

The Globe: United States
Learn about sunflowers
More Show and Tell

Please let your friends, looking for education-based child care, about our program at www.learningjunctionearlyeducation.com

A few reminders:

- Circle time starts at 8:30 and it is one of the best parts of the day.
- Show and Tell is every Friday. We get to share something special with our friends.
- We started working on our **"Fall Zoom Program"** performance. More information to follow.
